LET'S GET STARTED!

Welcome to our South Florida Visitor Guide. In 2025, our Visitor Center celebrates 37 years of helping tourists from around the world explore all there is to do from Miami to Key West. In this Guide, you will find information on our 2 National Parks, family attractions, agri-tourism venues, hotels, restaurants and so much more. Our Visitor Center is located in Florida City which lies next to the City of Homestead. Both cities are on the upswing with many new hotels and businesses coming into our area. We are the gateway to both the Everglades and Biscayne National Parks. Only 30 minutes away is Key Largo and the Florida Keys. Miami lies 45 minutes to our North. Truly, there is no shortage of places to visit on your stay. As you travel about, keep your eyes open for all the great activities presented in this visitor guide. We are truly thankful to our community, the supporting businesses and all the women and men who make South Florida one of the premier destinations in the world. Enjoy your trip!

The Glass Bottom Boat

Mile Marker 100
Key Largo

Snorkel without getting wet!

Relax on the seven mile voyage to Molasses Reef in the airconditioned cabin as you sip tropical cocktail or have a bite from the snack bar. Watch the waters of the Atlantic turn from blue green to the brilliant royal blue of the Gulf Stream, then descend to the largest viewing area. With 280 square feet of glass, it's the largest well of any glass bottom boat in North America.

The windows are located in the flat part of the hull, so there's no distortion to affect your view as the narrator describes the remarkable undersea world of John Pennekamp Coral Reef State Park and the Key Largo National Marine Sanctuary.
